

Community Partners Council

Event Criteria

- The event must be of community interest.
- The event must be open to the entire community.
- The event cannot be a for-profit activity, such as a store sale. However, it can be a fundraising event for a not-for-profit organization, as long as its purpose benefits residents of the community.
- Entities wishing to post an event do not have to be members of the Bolingbrook Area Chamber of Commerce, nor be based in Bolingbrook.
- If the suitability of an event for the calendar should be in question, the council shall be consulted whether or not it should be posted. The Chamber webmaster and executive director shall have final discretion on the posting of an event.
- Events must be posted in a consistent format, which will be determined by the Chamber webmaster. Training will be provided to those from each entity who are responsible for posting events.

Note: “Community” means the Village of Bolingbrook.
